

Nirantar's field interventions in Uttar Pradesh, demonstrate how empowering women through education by enabling access to information, promoting literacy and engendering education processes, can create opportunities for rural women.

Financials

Funds Disbursed - 1932 to 2009

Since the inception of the Trusts, the disbursements towards the objects of the Trusts as laid out in the respective Trust Deeds, have

steadily increased. Nearly 85 percent of the disbursements since inception have been laid out in the current decade.
